

## GET CERTIFIED AS A DRUM THERAPIST

D.A.D.'s award winning, pioneering Healing Art of Drum Therapy Techniques are specifically designed to help children and adults with special needs develop physical and cognitive functioning. To support this mission, D.A.D. is committed to educating, training, and certifying individuals in the Healing Art of Drum Therapy, and offering the advanced credential of Certified Drum Therapist.

D.A.D. is approved by the State of New Jersey to grant education credits necessary for teachers to keep a valid teaching license. The Drum Therapy Certificate is an advanced credential. This ensures that only the most qualified individuals possess the advanced skills necessary for becoming a Drum Therapist.

### TEST OVERVIEW

Drum Therapy training is comprised of 3 extensive segments. The first segment consists of a one month of pre-training via skype or telephone. The second segment will include attending a two day seminar held in your area. The third segment will include both a written test, and live classroom demonstration, which is based on training from the first two segments, and held on the final day of the seminar.
